All payments are non-refundable.

Basic Senior Package:

contains only the senior dues. All other items will need to be purchased as the events arise at normal price. **Cost: \$40.**

Dear Senior Parents and Students,

CONGRATULATIONS!!! You're a senior now and with the new status comes more responsibilities, privileges, and even stress.

In an effort to help eliminate some of that stress, Mandarin High School has planned and bundled anticipated senior activities packages for the 2019-20 school year. By packaging the items we are able to make reservations earlier, which will cut costs.

Please note that we do require that all expected graduates pay a small senior fee of \$40. Senior dues help us to put on the Graduation activities. The rental of facilities and production costs are not covered by the class nor are they immediately covered by the school.

Facts and Benefits

1. All Seniors are required to pay the Senior dues of \$40.00 regardless of package commitments.
2. Senior dues help pay for Graduation production costs (flowers, programs, and other expenditures). All Graduation and Baccalaureate costs must come from the Senior account. Money must be fundraised and covered through Senior dues.
3. There are three (3) packages available for you to choose from based on your personal budget. A sports pass is also available this year.
4. A Prom ticket is included in the 2 larger packages.
5. This is a PACKAGE PRICE. Individual items may NOT be subtracted from the total.
6. All events and activities are subject to discipline and attendance compliance. Any student may be excluded based on these criteria.
7. There will be **NO REFUNDS** for any event due to non-attendance, disciplinary actions, illness, etc. If a student withdraws from Mandarin High School, a refund will be made for any unused portion of the Senior Package as long as the item has not been purchased from a vendor.
8. You will save approximately \$85-\$120 by purchasing a package opposed to paying individually for each activity
9. Cap and gown rentals **MUST** be made by the student from **Herff-Jones**. Senior announcements and Senior Portraits are also the student's responsibility to purchase from Cady & Cady. The Senior Panoramic picture can be purchased through Grad Images. MHS does not order or schedule these items.
